## Who are Historic England?

Historic England protect, champion and save the places that define who we are and where we've come from as a nation. We care passionately about the stories they tell, the ideas they represent and the people who live, work and play among them.

At [Historic England Education](#) we want every child to be inspired by their local heritage and every teacher to have brilliant resources to use inside and outside the classroom.

**Our Heritage Schools programme aims to help school children develop an understanding of their local heritage and its significance to make sure that:**

-  Children develop a sense of pride in where they live
-  Children understand their local heritage and how it relates to the national story
- ☒ Teachers are more confident in making effective use of local heritage resources in delivering the curriculum
-  Local historic context is embedded in the school's curriculum
-  Heritage providers are more connected to the needs of local schools
-  Parents are engaged in their children's learning
-  Communities are more deeply involved in the life of the school
