

## How to make a Peace Dove

1 Cut out the dove shape on card or thick paper (see template).

2. Write your Peace Message on the dove.

3. Score or cut a 2cm slit in the centre of the dove for the wings.

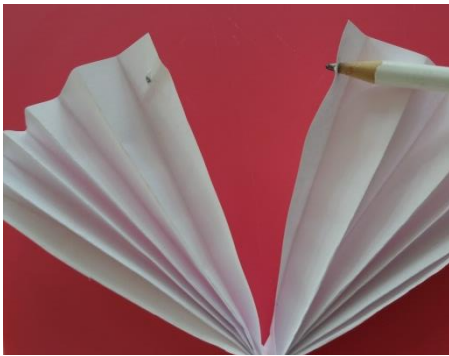

4. Fold half a sheet of A4 paper like a fan along the long edge (1.5cm folds).

5. Fold the fanned paper in half.

6. Mark 2 dots on the 2 inner folds about 1 cm from the edges.

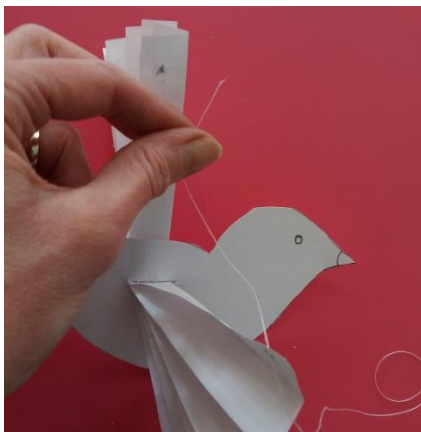

7. Pierce the dots with a sharp pencil to make holes.

8. Slot the wings through the slit.

9. Fan out the wings.

10. Thread a length of cotton through both wing holes

11. Tie the 2 ends of cotton together

12. Suspend several doves with different lengths of cotton to create a classroom display.
