How did transport developments help Southampton to grow?

A full-length illustration of a woman in early 20th-century attire. She wears a black wide-brimmed hat adorned with yellow roses and green leaves. Her dress is a light tan or cream color, featuring a high, ruffled white collar and long white gloves. The bodice is decorated with a diamond-shaped, quilted or woven pattern. The skirt is long and pleated. At the bottom of the page, there is a circular logo with a pink background and a white silhouette of the county of Hampshire. The word 'HAMPSHIRE' is written in white capital letters around the top edge of the circle.

## **Who are Teacher's Pet?**

Teacher's Pet have been providing downloadable and playable educational content to early years and primary school teachers for over 14 years. We cover all areas of the curriculum and use a team of in-house teachers and designers to create engaging and memorable concepts, that the children will love.

## **Why local history?**

At [Teacher's Pet](https://www.tpet.co.uk) we want to empower primary school teachers by giving them the tools they need to deliver inspiring and thoughtful lessons about the local area and its history. We believe local history teaching has such an important part to play in a child's wellbeing – helping to give children a sense of pride in where they live.

Our Local History project is designed to provide teachers across the UK with everything they need to successfully carry out a full scheme of teaching about their local area, through key enquiry questions and source led activities.

Working with [Historic England](https://www.historicengland.org.uk) gives us access to archived maps and photos for resources and information from knowledgeable local historians, as well helping us to provide the content to you free of charge.
