

What impact did the Goddard family have on Swindon?

Below is a map of Swindon created in 1773 and a modern map of the same area. Use your analysis skills to see what information you can decipher about the Goddard influence and Swindon.

Once you've studied the two maps make a note of five things that have stayed the same, five things that are different and five things that you think are interesting.

Can you turn one of the things you found interesting into a question that you'd like to discover the answer to?

My question is:

How might you find the answer to your question?

Who are Teacher's Pet?

Teacher's Pet have been providing downloadable and playable educational content to early years and primary school teachers for over 14 years. We cover all areas of the curriculum and use a team of in-house teachers and designers to create engaging and memorable concepts, that the children will love.

Why local history?

At [Teacher's Pet](#) we want to empower primary school teachers by giving them the tools they need to deliver inspiring and thoughtful lessons about the local area and its history. We believe local history teaching has such an important part to play in a child's wellbeing – helping to give children a sense of pride in where they live.

Our Local History project is designed to provide teachers across the UK with everything they need to successfully carry out a full scheme of teaching about their local area, through key enquiry questions and source led activities.

Working with [Historic England](#) gives us access to archived maps and photos for resources and information from knowledgeable local historians, as well helping us to provide the content to you free of charge.
