Textile fragments from graves

Elisabeth Crowfoot

Grave 3 141.T.1.

Possible textile impression on earth, not clear.

Grave 8 560. T.XII.

Fragment textile 1.3 X 0.9 cm, probably flax, Z,Z, tabby weave, count 8/7 threads on 5 mm.

Grave 12. 563. T.XII.

Dark remains on soil from grave, probably remains of textile rather than impression, occasional fragments ?threads, Z and S spinning or twisting, appearance of disintegrating tabby weave, ? burnt; more like wool or leather fibres than vegetable.
