

CARLISLE 1975; (P. Clack & P. Gosling)

Wood identifications of structural timbers. (Roman levels)

- CAR 75 I 16 - Quercus sp. (Oak)  
CAR 75 II 42 no.1 - Quercus sp. (2 bags)  
CAR 75 II 42 no.2 - Quercus sp.  
CAR 75 I 44 (for latting) - Quercus sp.  
CAR 75 II 49 - Quercus sp.

Oak is an excellent wood for large structural timbers.
