Dear David,

Please find enclosed your
above report(s) for the site(s) of Little
Seabome.

I would be most grateful if you could send me a draft
copy of any proposed publication which includes the report(s)
or extracts from the report(s).

Please acknowledge receipt of this communication.

Yours sincerely,

Carole A Keppax

Little Somborne, Hampshire.

773008. Quern fragment. A red sandstone, probably Old Red Sandstone. | from Devon?
773179. Quern fragment. A dark red-brown sandstone (?Lower Palaeozoic) |
773180. Quern. This is made out of the Binstead variety of the Bembridge
Limestone probably brought from the Bembridge-Ryde area, Isle of
Wight.
